The Suspect Identification and Vehicle Identification Charts are guides to assist you in recording important information. You are not expected to fill in all the blanks and should record only those details you are sure of. Try to pick out at least two outstanding features or identifying marks and work from there.

**Never confront a suspicious person or vehicle.**

**Call Security or 911!**

When you are calling in suspicious activity or a crime in progress:

1. Remain calm.
2. Talk slowly and clearly.
3. Describe the Incident as accurately as possible.
4. Give as much information as possible regarding the description of a suspect or a vehicle.
5. Be patient, information that may seem unimportant to you may be vital to the responding Officer.

**Identifying Marks** \_\_\_\_\_

Dents, broken glass, etc.

Indicate on drawings below where appropriate
